## Neighbour of Love

A few years ago, my neighbours had a son in his teens. During the summer it became obvious that young Denis was often watching me.

I found it difficult not to tease him, giving him quick flashes of my boobs or bum while I fantasised about taking his virginity.

As time went by, this gangly youth turned into a handsome young man and my fantasies about awakening his manhood became stronger.

When he was preparing to go off to college, a golden opportunity came my way when his mother mentioned he needed some furniture.

I told her to let him come round the next day and have a look at some of my things.

I prepared for his arrival with a long shower, then slipped into my most exciting underwear and a summer dress that did up at the side.

When the bell finally rang he looked terrified and I pretended to be disappointed that his mother had gone shopping for a couple of hours.

I knew I didn't have long so I walked up the stairs swinging my hips so he could watch my arse as he followed me.

In the bedroom I pulled him on to the bed and told him I knew he had watched me in the garden over the years and now he was going to get the real thing.

I slowly removed my dress and let him look at his present.

The look on his face as I took his hands and placed them on my tits was worth the long wait.

I had to taste him and slowly took the head of his dick in my mouth, feeling him twitch with excitement.

I cupped his big balls and sank my mouth down his shaft as he sprayed his milk.

I had never taken a man that deep before and my face was buried in his pubic hair as he emptied himself.

I made him lick my cunt till he got hard again, then filled my pussy with his virgin cock.

He was young and raw but a really good fuck who gave my cunt a good pounding before treating me to a second load!

Now I'm still in touch with him and we still rekindle our passions now and then!

Kelly, Windsor.

# LUCY

It's been quite a year, but there are always positives to take away from it, like the appearance of fresh-faced Lucy Lauren in Escort! The frisky, hardbodied babe's a most welcome addition to our stable, and she was very keen to make a good impression when we shot her...

"I've been looking forward to this for ages, so I don't want to muck it up now. I've shaved my pussy especially and dug out my sexiest lingerie, so I hope your readers like what they see!"

Oh, I've got a feeling they will, Lucy!

## ZAAWAAD-CORE!

Legendary woodsman Rocco Siffredi stays behind the lens (except for an interview) for this flick from Evil Angel, which showcases the insatiable cravings of black newcomer

Zaawaadi, with top Eurosplosher Tiffany Tatum acting

as a sort of mentor. After teaching her how to play golf, Tiffany gets Zaawaadi to suck a cock. Clearly a quick learner, it's not long before she's got the stud's cock buried deep in her arse while Tiffany gives her

furry fanny a gentle whipping. Martina Smeraldi takes centre stage next, with a 3 cock interracial drilling, before some sizzling lesbo fun with milk gets Zaawaadi, now shaven headed, ready for a red-hot gang-bang closer. A star is born!

## THRILLA IN THE VILLA!

Busty Jasmine Jaye's made a name for herself as a cock-mad performer, but she's

stepped up to the

director's plate here to lens a filthy Harmony flick that features some of the UK's top talent. Not that that stops her getting in on the action, sharing a cock with Venus in the opener that ends up with them both slurping jizz from his well-used prong. And she's in another threesome next up, as Pascal White gets to grips with her and blonde Brittany Bardot, the jammy git. Lou Lou gets a cracking shafting on the staircase next, her hungry gash getting a real workout before she's done. To close things out we get a lesbian threesome with Amber Jayne and Honour May lending a hand in giving Tori Cummings an eye-watering plugging that keeps the energy going to the very end. Available from your local sex shop.

As a woman who's always up for a bit of fun, I love hearing about your other readers' dogging and cheating exploits! My hubby Dave and I have been married for 24 years now, but we still fuck like randy teenagers whenever we've had a look through your latest issue, and he loves to lick me out while I'm reading your dirty letters out loud.

I don't think I'm brave enough to appear in Show Us Yours, but here's a close-up of my cunny, taken by Dave just before he tucked in. I hope you can use it!

Denise, Taunton.

**Julia says:** Thanks Denise. I hope you pluck up the courage for SUY soon!

## DEAR JULIA

I've never really had much time for Halloween – to me it's just an excuse for the supermarkets to sell a load more plastic tat before Christmas rolls round, but I starting to admit that the traditional Halloween sets in Escort are always worth looking forward to – especially when there are two of them in an issue!

Roxie certainly had a wicked glint in her eye as she played with those massive jugs of hers. I'd love to go apple bobbing between those beauties! The sight of her perfectly rounded rump could only be improved by having my hips slapping against it as I slammed into her hot gash in doggy style!

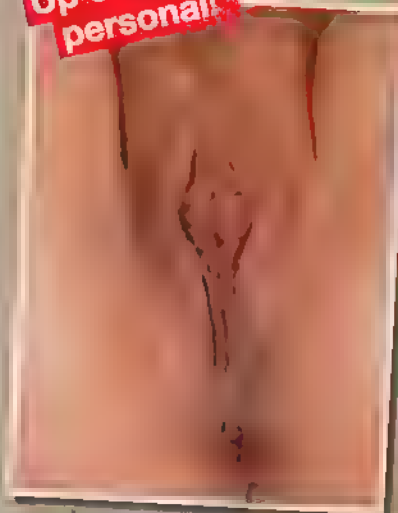

Sofia, meanwhile, looks like she enjoys playing with her pussy almost as much as I would, given the chance. That shot of her holding her pink lips open had me spurting my jizz all over the place,

Given that there was no trick or treating to worry about this year, I think Roxie and Sofia might have made this my best one ever!

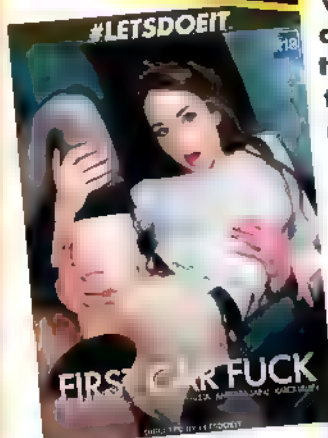

Ron, Stoke.

**Julia says:** Well I've always loved Halloween, and Roxie and Sofia just make a great thing even better!

Up close and personal!

Treat or treat!

Shagging in the car's usually something you do 'cos you can't do it anywhere else (unless you're dogging!), so it is really a particular kink people like? LetsDolt clearly think so, with this flick featuring a load of lucky 'chauffeurs' giving their randy clients a lot more than a lift in the back of their rather smart MPV. With space, angles and lighting all a bit restricted, you'd have to have a serious car fixation to pick this over traditional room-based knobbery. Available from your local sex shop.

Womanizer Liberty Clitoral Stimulator  
£69.99

[www.lovehoney.co.uk](http://www.lovehoney.co.uk)

Hats off to Lily Allen for coming clean about the fact that women like to masturbate as well, when she lent her name to this mini version of the Womanizer recently. Instead of using vibrations, the Womanizer relies on suction to give the clit a different kind of thrill. With eight levels of intensity, the Liberty is a neater fit when it comes to handbags than its big sister, and is also rechargeable via USB. It even comes with a nifty cover to make it look less like a clitoral Kazoo, should anyone spy it in your bag. All in all, this should definitely make her smi-i-ile!

# REAL WIFE SEX

*Janet gets a good workout at the gym!*

I guided his meat into the back of my mouth, salivating and sucking on his stick...

It pleases me beyond imagination that MILFs are so well received these days. I'm a hot fortysomething woman who has been scoring fresh pieces of younger meat for the best part of a decade, and my 62 year old hubby couldn't give a stuff, as long as I put out for him on the odd occasion he manages to get it up.

I find that inexperienced men love the passion, skill and erotic expertise I'm able to

provide, that completely blows the younger girls out of the water! For a woman like me, scoring any man I want is as easy as one, two, three. My gorgeous face, bouncing boobs and tight arsehole speak for themselves.

Last week in the gym I was reminded of my undeniable hotness when the most sought after body builder, a hunk named Alan, chose me instead of the twenty-something twat in the lavender leotard. I couldn't help but giggle at her weak

game. She grabbed a pair of oversized hand weights and began to fumble around, acting like a helpless damsel in distress. Alan paid her no

gorgeous prick. Once face-to-face, I guided his meat into the back of my mouth, salivating and sucking on his sweaty stick. I ran the surface of my teeth over each and every curve of his penis and even sank a bit lower, resting his swollen nuts on my forehead to make his taint more accessible to my tongue.

"You can't do that in here!" the other girl shouted, tapping her feet. I rose from between Alan's legs long enough to grab the girl by her blonde ringlets and bury her face in his groin, along with my own.

"Shut up and suck!" I cautioned her, keeping her hair in my hands as I helped guide his meat down her throat. "Stick out your tongue and wiggle it underneath."

I watched the favourable response on Alan's face. When he was rock hard I pushed

up my bumhole. After my third orgasm, I hopped off Alan's knob and told the girl she was up next. As she squatted into a doggie position, I rearranged her on the ground, setting her up in piledriver instead.

"What's this?" she questioned.

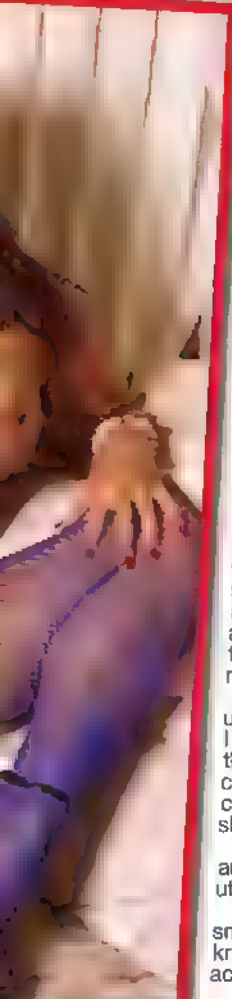

"You'll see," I smiled.

Alan grabbed the girl by the ankles and spat a wad into her arsehole. He eased in cautiously until her gaping bum gave him the thumbs up to continue with a rougher ride.

After a few minutes of adjusting, Alan was fucking her arse superhard while I worked on her slit and clit with fingers and tongue. She was double stuffed and loving every minute of it.

"More! More! More!" she cried, spilling her orgasmic arse load all over while her pussy continued to drip. I licked up every bit of her cum splash and lowered my face down to hers so she could get a sampling of her own delicious sex sauce.

After another half hour of pussy and arse swapping, Alan pulled out and wanked his load all over the both of us. It was an incredible experience and another touchdown on the scoreboard for this insatiable MILF! 6

attention. Not getting any satisfaction, the twit tried another trick that also went unnoticed. After the third attempt I started to laugh out loud at her lame attempts at seduction.

"Watch how it's done, sweetheart," I purred, gliding over to Alan to rub the sweat trail that was running down his chest. When face to face with this primitive stud, it became evident that his cock was much bigger than his IQ. I decided at that moment that action instead of words would work best in this situation. I grabbed his arms, pulled them open and licked all the way from his nipple to his naval.

"I thought you could use a little clean-up," I murmured, watching the shape of Alan's cockhead round out the crotch of his nylon gym shorts.

"Damn, you don't fuck around!" he gasped in utter shock.

"Oh yes I do..." I smiled, falling to my knees to get better acquainted with his

him down on the weight bench and mounted his cock in cowgirl. I held his arms over his head and began to grind my pussy in a figure of eight. "Keep his balls wet!" I called out to the other girl, who at this point was sitting between Alan's legs, helping feed his cock into my pussy. She leaned into our action, lapping up our combined sex liquids as they came spilling out of me.

"I'm so fucking horny!" the girl gasped, clapping my arse cheeks together and surprising me every now and again with a flurry of fingers

## Keep on Truckin'!

I was at work one Tuesday when a lorry driver that had just delivered to our store asked me where the toilets were.

I was about to go on my dinner break, and am a friendly soul, so I told him I'd show him.

On the way he asked me if I had seen him in a magazine at all. I asked which one. He told me it was Escort and gave me a broad grin.

I followed him in through the toilet door and left him to

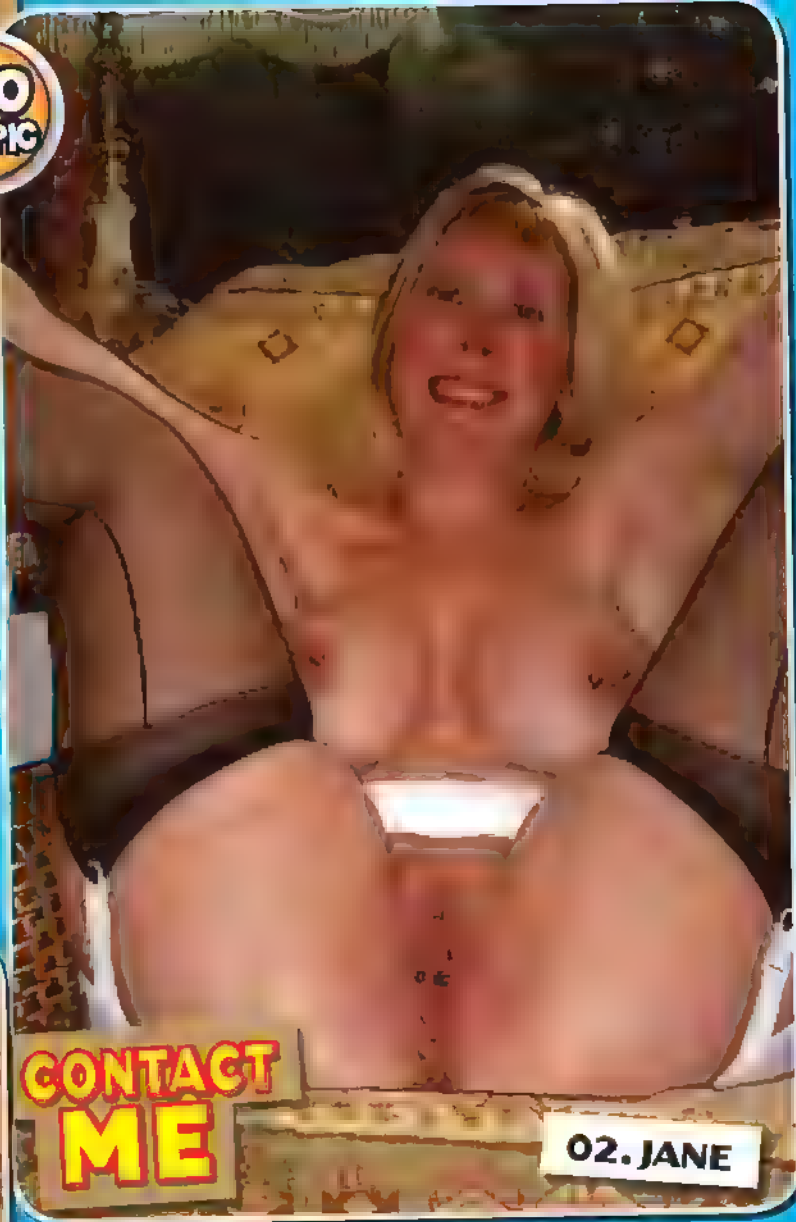

it, a little embarrassed that he'd recognised me.

But then he shouted out for me to come in with him.

Still grinning, he said he bet I was a good cock sucker.

Without any hesitation I unzipped his trousers to find a nice hard cock waiting to be given some oral satisfaction.

I started to suck his bulbous helmet and thick shaft while I played with his balls. I had really got him going by

the time I took off my top to reveal what he said were the biggest tits he'd ever seen.

He soon started to fondle them and suck my nipples till they were as stiff as his cock.

My pussy was juicing up nicely so off came my trousers and knickers.

He sat down on the toilet so I could ride his cock and I slowly straddled him and eased my cunt down on to him.

I started really slowly so I could feel every ridge of his hard cock moving in my wet pussy.

Then I started fucking him hard till I came, flooding his cock with all my juices.

After he'd made me cum a few more times I sucked my juices off his cock.

He told me to get on all fours to fuck me doggy. He grabbed my tits and played with them while he pushed his cock thrillingly into my gaping cunt.

My heart was pounding as he unloaded all his spunk into my throbbing pussy.

When he'd finally done I scooped all his hot spunk out of my cunt and licked it off my fingers.

It was an amazing experience doing it at work where we could have been discovered at any instant, and I still feel my cunt gush with juices every time I think about it!

Jane, Derby.

I remember one wild night sucking on a hot babe's cunt while a guy fucked me from behind, and then us both sucking him off till we shared a gobful of his cum. # Gina

We first came across Gina when she was pretending to do a bit of dusting in a sizzling French Maid's cossie, and it's little wonder we haven't been able to get her out of our heads ever since. Lockdown's have come and gone, but we were determined to hook up with her again before the year was out. So here we are, with Gina all to ourselves and a shimmery satin bed and a couple of hours to while away... so what to do?

"Well I've got a few ideas!" she grins, "but perhaps we ought to do the photoshoot first!"  
What dedication!

Thanks to all the crappy weather we've been having this autumn, this shoot feels like it's from a different age, but it was only September when we managed to lure Josephine and magnificent boobs out into the garden for a little bit of alfresco action! And while we're all in favour of admiring horticulture, the delights the garden had to offer weren't a patch on this randy MILF, who put on such a filthy floorshow I don't think I'm ever going to be able to look at a daisy ever again without getting a raging stiffy! Who knew that floral sex could be such a turn-on?

It looks like it might be a bit of an unusual Christmas this year, so here at Escort we figured it was more important than ever to stick with certain traditions at this time of year – traditions like having a set of a girl in a Santa hat! And Roxi Keogh was more than happy to take the gig, as long as we threw in a fake cock as a present so she'd be able to plug her glistening slot while maintaining the legally required social distancing. The good thing about this time of year is that it leaves plenty of time for indoor sports, although when Lu Elissa and Pixiee Little turned up we were hoping for something a bit more adventurous than darts!  
"Aw, I love a game of arrows!" protested Pixiee, although when we pointed out that she could be feasting on Lu's dripping snatch instead, she polished off their game of round the clock in double quick time and got stuck in!

**"I know I'm probably a bit late to the party, but I've only just realised how erotic bum play can be!" admits Ellie, without any beating around the bush.**

**"I'd had a couple of boyfriends try it on back there, but for a long time I couldn't get my head around it, until last year I went out with a guy who started rimming me after he'd eaten my pussy. I was a bit nervy at first, but it was such a turn-on having that much attention paid to my arse that, after he'd fingered it for a while, I was literally begging him to fuck it! My God, it was incredible, and I've been making up for lost time ever since!"**

## Lust in the Wood

I was feeling very horny on the rainy drive home from Kings Lynn.

My husband and I had spent the weekend with friends and hadn't managed to have much sex action due to the thin walls in the house.

While driving along that evening my hands started to wander, one hand over to my husband's lap, the other up my skirt.

I pulled open his flies, wrapped my hands around his cock and gently rubbed his big boner up and down. I slid my fingers under my thong, already soaked through, and started to rub the hot little nub of my clit.

We must have been half an hour away from home but I was damned if I could wait!

I ordered my husband to pull over in the next lay-by he saw.

Luckily we found a secluded one near a wood.

Once we'd stopped, I made my husband leave the engine running, get out of the car and go to the front. I followed and my clothes were immediately drenched as I stepped out into the night. We carried on what I had already begun, kissing and running our hands up each other's soaking bodies. We

peeled each other's wet clothes off, layer by layer, then my husband pushed me against the wet throbbing bonnet.

He started at my neck, kissing down my body, lingering on my nipples as the rain dripped down my skin and off them. They were really hard and sticking out because of the cold, the wet, and the sheer excitement.

He kept heading lower, till his head was buried between my hot thighs.

He pushed his tongue over my clit and in and out of my tight pink hole.

I've always had a sensitive clit so he had me cumming in not time. I grabbed the back of his head and ground my cunt all over his flickering tongue and lips.

I ordered him to stand up and turned him to lean on the bonnet. I knelt down and teased the end of his throbbing cock with the tip of my tongue, licking the rain off as it ran along his salty shaft.

I then swallowed as much of his dick as I could manage, sucking and licking his thick veiny shaft.

He groaned and entangled his fingers in my hair, pulling my mouth hard over his cock, fucking my face. I sucked harder and harder till he couldn't take any more, when he grabbed hold of me and

in an explosion of rain droplets.

Then he got his revenge, teasing the entrance to my pussy hole with the tip of his hard cock then just dipping the very end of his helmet into my slippery fuck-chute, driving me wild with desire.

Unable to stand it any longer, I wrapped my legs around his waist, forcing him to sink his cock deep into my hot wet cunt.

Our bodies slid together, a mixture of rain and sweat, our pelvises pounding together. My husband had

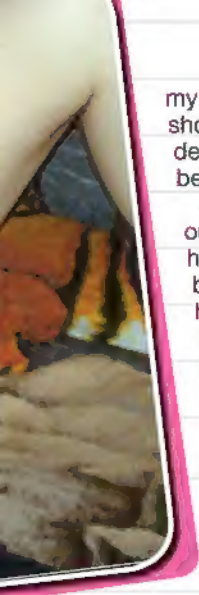

slammed me back on the car to keep his feet firmly on the ground to keep us from sliding off the bonnet. He wrapped his arms around

my back and pulled my shoulders to take him deeper than he'd ever been in me before.

As he plunged in and out of me, I gripped him tightly and, as my body began to tingle, he shot his sticky load into me and we came together.

We quickly got dressed and rushed home to continue the fun – which you can see in these pictures.

This was our first wild adventure and

I plan to have many more soon.

If any ladies would like to contact us, please do!

Liz, Norfolk.
